* Is your organization a non-profit or a registered public charity? We give back to the profession and the communities we serve by providing a set amount of pro bono (no charge) work. Specifically, our plans for each year include pro bono speaking engagements or workshops for up to five non-profits or charities. And if the five pro bono slots are filled and there's interest from additional non-profits or charities, a limited number of engagements may be available at a special rate. Inquire.

Prices are in United States Dollar (USD) and do not include expenses or sales tax, if applicable. Rates for speaking engagements and workshops apply to talks, workshops or other appearances running up to 2.50 hours; for more than 2.50 hours, request a quote. The event may be required to defray personal security and/or other costs. Information subject to change without notice.
